## AGED RESIDENT DIED SUNDAY NIGHT

Mrs. Mary Jane Conrad, one of the city's oldest residents, fell dead from her chair at home early Tuesday evening.

Mrs. Mary Jane Conrad, aged 88 years, one of the city's oldest and best known citizens, died very suddenly at her home in East Second street about 6:30 o'clock Tuesday evening.

The aged woman had been ill for several years following a fall in which she sustained a broken hip but for the past few days had been thought some little better. She was sitting in a small rocking chair talking to her daughter, who was at work in the kitchen, and pulled herself in the chair into an adjoining room. The daughter heard a noise as if some one falling and receiving no answer to her call to her mother, she went into the room and found that her mother had fallen out of the chair onto the floor and was dead.

Mrs. Conrad was a kindly woman and a splendid neighbor loved by all who knew her. She is survived by four children, three daughters, Miss Lizzie Conrad, who made her home with her mother, Mrs. Nannie Jones and Mrs. Sue Wallingford, of Cincinnati and one son, Mr. William Conrad. She was an aunt of Councilman Chas. B. Davis.

Funeral will be from the home at 10 o'clock Thursday morning with services by Rev. A. F. Stahl, pastor of the Christian church, of which Mrs. Conrad was long a member. Burial will be made in the Maysville cemetery beside her husband, who lost his life in the Civil War.

Please omit flowers.

## SUIT FILED FOR SALE OF MASON COUNTY LAND

Suit was brought in the Mason Circuit Court today by C. W. Robertson and John P. Robertson as F. P. Robertson & Son against William Luther, Jeff, Frank and J. R. Booten for the sale of a tract of 18 acres of land in the Lewisburg neighborhood. The plaintiffs state that they are the owners of a one-third interest in this land and they ask that it be sold by the Master Commissioner and the proceeds divided among the owners.

## BIG DANCE TONIGHT

The big dance scheduled for Beechwood Park this evening promises to be the biggest event of the kind for the season. Splendid music has been procured and quite a number of out-of-town people are expected here to attend. The club giving this dance is made up of fine, live-wire folks and a big time is assured all attending.

## ICE SITUATION IN THIS SECTION IS QUITE SERIOUS

Although Towns and Cities Near Maysville Are Having Serious Time With Ice Shortage, Maysville Is Able to Care For Herself.

In the middle of the most severe warm spell of the year, the ice plants in nearby towns are letting down and those communities face very serious condition. Appeals have come to Maysville from Lexington and Flemingsburg as well as Paris and Carlisle for supplies of ice but in the present conditions of things the Maysville Ice Plant has been able to give but little relief to the neighboring towns.

Mr. Hall Strode, of the Maysville Ice Plant, says that the slight break-down which has put one of the boilers at the big plant out of commission, will be mended in a very short time and that the local plant will be able to handle the local situation with little trouble, but it requires good management of the local plant and no waste of ice is permitted just now while the repairs are in progress. The users of ice have been requested by Mr. Strode to permit no extravagance in the use of the ice in any way.

Large amounts of ice have been shipped from Maysville to nearby cities up to the time of the break-down here and since that time the supply has been carefully conserved. The Maysville Ice Company is now building additions to their large plant which will more than supply this section at all times despite even a serious break-down.

## FOR SALE

30,000 feet of Sheathing, good lengths and in splendid condition. See H. E. Pogue, Distiller Co. 29-1wk

Mr. D. P. Glascock, local rural mail carrier, went to his farm in the Mt. Carmel neighborhood today to assist with threshing of grain there today.

Deputy State Road Commissioner M. D. Ross, of Newport, was in Maysville today on business.

## YOUNG WOMAN TAKES POISON IN ATTEMPT TO COMMIT SUICIDE

Mrs. Gladys Hatfield and Husband Have Trouble and Young Woman Swallows Quantity of Bug Poison—Physician Called and Life Saved.

About ten o'clock Tuesday evening the police were called to the home of Mrs. Gladys Hatfield in January street, by neighbors who said that there was much disorder there and upon the arrival of Officer P. Ryan he found everything about the house very quiet and closed. He gained entrance through the front door and the woman who admitted him told him that Mrs. Hatfield had just taken poison in an attempt to end her life and was very ill.

Officer Ryan investigated and called Dr. Long, who lives nearby. The physician found that the young woman had taken a small quantity of bug poison which she had in a small box in the house. The physician found the box and learned what the poison was and soon administered an antidote and in a short time this brought the young woman out all right.

Neighbors have complained considerably to the police about disorders in the house occupied by this family and the police thought that there was some such disorder that has previously been complained of when the call came Tuesday evening but it developed that the woman and her husband were having a family quarrel which is supposed to be the cause of her attempt to take her own life.

## DESPOONDENT WOMEN

A prominent writer claims that "women are naturally despondent," but often mental depression may be attributed to an abnormal condition of the system, which expresses itself in nervousness, backache, headaches, sleeplessness, and consequent despondency. Lydia E. Pinkham's Vegetable Compound goes to the root of this trouble, it gives tone and strength to the system and restores women to a normal, healthy condition.

## DUSTIN FARNUM IN "THE LIGHT OF WESTERN STARS" PASTIME

Dustin Farnum will appear in Zane Grey's thrilling romance of the Southwestern border, "The Light of Western Stars" at the Pastime tomorrow. "Three to One"—so the odds were even, get this thrilling fight in this red-blooded western drama. Also the wild auto race against time and death and a thousand other thrills. In a wild moment Gene Stewart boasted he'd marry the first girl who came into town. That is the start of Zane Grey's gripping story.

## BACK FROM VACATION

Secretary Carl Dodds, of the Maysville Chamber of Commerce, arrived home Tuesday afternoon after spending his vacation at Eagles' Mer Park, Pa., where he attended the summer school of Community Leadership. Mr. Dodds also visited New York and Washington before his return home and while in Washington had a long talk with Congressman Fields on pending legislation affecting local conditions.

## BURNING DUMP MAKES VERY BIG BLAZE

The Fire Department was called to the dump near the foot of Lee street at noon today to extinguish a large blaze. The dump had caught fire in some mysterious manner and there was quite a large blaze when the department arrived, however it was extinguished without doing any damage to adjoining properties.

## ARRESTING FOR STEALING PAIR OF SHOES

Ed Mason, colored, alias "Bikie" was arrested by police this afternoon on a warrant charging him with petit larceny. Mason is alleged to have stolen a pair of shoes belonging to Robert Porter. He was placed in jail in default of bail and will be tried before Judge Whitaker in local Police Court Thursday afternoon.

## DELIGHTFUL LAWN PARTY

Mr. and Mrs. R. J. Bissett entertained with a delightful lawn party at their home on "The Point" Tuesday evening in honor of Lieut. Commander Charles Best and wife and Lieut. Doniphan Best and wife. There were many guests present and a most enjoyable time was had.

## IS NOTARY PUBLIC

In the Mason County Court this afternoon Miss Frances Anderson produced her commission as a Notary Public and she qualified as such with A. D. Cole as surety on bond.

Mr. John D. Walker has been appointed agent for the Louisville Courier-Journal which will be sold at his stand, Front and Market streets. 28-3.

## DETAILS OF THE BIG FIRE AT HILLSBORO, KY.

Only \$1500 Insurance on Big Fire Which Gutted Hillsboro's Business Section.

The Flemingsburg Gazette tells the following story of the Hillsboro fire last Friday:

The worst fire at Hillsboro in the past forty years visited that place last Friday and when it was over about \$10,000 to \$12,000 worth of property had been destroyed, with insurance not over \$1500. Six store buildings were destroyed and considerable goods also some smaller shed buildings.

The fire started in the J. H. Hawkins building where Roe Boyd ran a poultry business and it is supposed to have originated from a candling apparatus for candling eggs. Mr. Boyd had gone to dinner and when he returned found the inside of the building in flames. The fire spread to the Shields warehouse which with part of the goods was destroyed. Insurance \$1000.

Other buildings lost were the Minor Denton warehouse including a good portion of the contents, no insurance. The post office building belonging to the Hawkins estate, occupied by a soft drink store and Dr. Reeves office, insurance \$400. The fire did not get across the street but the heat broke out the windows of the Denton Mercantile Co.'s store, the bucket brigade saving the building. Mr. Denton however loses considerable goods in the ware room. The Denton Garage was burned without any insurance, also Zimmerman's marble shop.

In response to a message asking for help the Flemingsburg Fire Department sent out the auto-fire engine, but it was most too late to be very effective as the fire was pretty well burned down when it arrived. The engine though pumped several of the wells and cisterns dry.

## BIG FINANCIAL CAMPAIGN STARTS NEXT WEEK

The Seventy-five Million Dollar campaign among Southern Baptists will be fully explained by staff met at the annual meeting of the Bracken Association of Baptists to be held next Wednesday and Thursday at the Two Lick Baptist church near Germantown, Tenn. Mr. C. S. Kirk, of this city, has been named chairman for the Bracken Association which is made up of thirty Baptist Churches in Northeastern Kentucky and Southern Ohio, and Prof. W. J. Caplinger has been named chairman for the local church.

## SANITARY ENGINEER IS BACK ON THE JOB

Captain Harrub, of the United States Sanitary Engineer Corps, who was here several weeks ago to make a complete survey of the Maysville Water situation for the Federal and State Health Departments, and who was called to Camp Knox for a short time, has returned to Maysville and has resumed his investigations here.

## ANOTHER BIG ONE BOOKED

Manager T. M. Russell, of the Washington Theater, has just booked John Cart's "Listed Lester" which will appear at the Washington early in October. This show has made 250 appearances in the Knickerbocker Theater in New York and is said to be one of the best shows that will be on the road this season.

Mrs. Nellie Spahn, nee Weaver, formerly of Maysville, but now of Alexandria, Louisiana, is here visiting relatives and friends. This is her first visit here in fourteen years. She was born and reared in Maysville and went through school here.

## MAYSVILLE SUGAR SITUATION PRESENTED WAR SECRETARY

Mayor's Telegram Is Referred to the Secretary of War—Local Sugar Situation to Have Federal Attention.

Sixty-six per cent of Ex-Service Applicants are Placed in Good Paying Positions Says Employ. ment Head.

The sugar situation in Maysville and vicinity will have Federal attention according to a letter received today by Mayor Thomas M. Russell from Hon. Joseph Tumulty, Secretary to President Wilson, in answer to a telegram which Mayor Russell sent President Wilson last week asking for some relief in the acute sugar situation.

The Secretary's letter to Mayor Russell follows:

The White House, July 28, '19.

Dear Mr. Mayor:

The President directs me to acknowledge the receipt of your telegram of July 26th and to say that it has been brought to the attention of the Secretary of War.

Sincerely yours,

JOSEPH TUMULTY,

Secretary to the President.

Hon. T. M. Russell,

Maysville, Kentucky.

A special election for a two mill tax levy for schools has been called in Ripley.

Twenty-one cities out of twenty-six, of more than 200,000 inhabitants, each have placed over 50 per cent. of their soldiers and sailors. The Middle West claims the first five places on the list of the big cities on the percentage basis. Minneapolis heads this list with a record of 126 per cent. of registered men placed (which means that she placed every man registered in the United States bureau, and a large number unregistered or signed up with other organizations). St. Louis follows Minneapolis with 102 per cent., Cleveland shows 92 per cent., Toledo 86 per cent. and Kansas City 81 per cent.

Los Angeles, Portland (Oregon), Philadelphia, Seattle, Chicago and Baltimore had over 2000 men to place in that period and all, except Seattle and Baltimore, placed over 70 per cent. of them. New York City, with 15,653 jobless men, had a problem five times as big as any other city except Chicago, and placed just one half of the applicants, or 50 per cent. Pittsburgh and Boston have only 36 and 38 per cent. records to their credit, and Buffalo trails at the foot of the list with 29 per cent.

Of cities from 100,000 to 200,000 in population, the Middle West, with Dayton, Ohio, again is in the lead. Dayton placed in that time 124 per cent., or 882 men. Fort Worth, Texas, follows with 117 per cent.; Spokane, Washington, has 94 per cent. and of the entire list of sixteen cities, 860 of these has placed less than 57 per cent. of their registrants and as a group have made the best record of all. Little Rock, Arkansas, had more men to place than any other city in this group, and succeeded in obtaining jobs for 1,407 of her 1,907 men.

Of the "little cities," those with populations under 50,000, Poughkeepsie, New York, has the best percentage record, although Cheyenne, Wyoming, with 895 men to place, made by far the biggest showing by getting jobs for 560 of these. Poughkeepsie's per cent. was 98, but she had only 55 men enrolled. Five other cities in this list got jobs for over 75 per cent. of their applicants. These were Pensacola, Florida, Wilmington, North Carolina, Racine, Wisconsin, Butte, Montana, and Reno, Nevada.

## OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

## THE PRESIDENT AND IRELAND

The President has appealed to the American people to understand the delicacy of his position at Paris, with reference to the question of Irish independence.

In conversation with Senators at the Capitol on Thursday, Mr. Wilson called attention to the fact that the Peace Conference was concerned with territory to be taken from the enemy and not with territory possessed by the Allies.

Mr. Wilson went to Paris at the end of the greatest war of history. Our most powerful Ally in that war had been the British Empire. That Mr. Wilson should co-operate with the British delegates at Paris was inevitable if the Peace Conference was to be something better than a fiasco. We could not very well, under the circumstances, have forced the Irish question down Lloyd George's throat. And if we had tried, we should have been alone, for France and the other allies of England through four years of war would not have followed us in an effort to make the British surrender territory which, in the view of international law, is British.

Most Americans would be glad to have Ireland free. Ireland and the Irish have always had an especial attraction for our people. But, as Senator Phelan says, the number of Americans who would carry their enthusiasm for Ireland to the point of a break with the British Empire is not great.

Thoughtful Americans have understood the President's position on the Irish question and have given him whole-hearted support. Certainly he has not been weakened in the regard of the majority of his fellow countrymen by the impertinence of men like De Valera, who have come to this country and criticized the head of the nation, violently, in public speeches.—Cincinnati Times-Star.

JUGO-SLAV CHILDREN  
ARE MUCH HELPED  
BY BIG FOOD CLUBS

American Food Clubs Prove A Great Help to Children of Jugo-Slovia Who Are Getting Back to Schools.

Organization of "Food Clubs" by American relief workers among the children of Jugo-Slovia is rapidly solving the problem of getting back to their schools which, in many districts, have been closed since the beginning of the world war.

Last April, a representative of the American Relief Administration saw the need for supplying the children of these districts with a supplementary ration. The children of families fortunate enough to have a scant food supply were underfed, and the large majority facing actual starvation. No reorganization of the educational machinery of the country was possible until the food difficulty was relieved. Hungry children cannot assimilate knowledge—and the more immediate task of the boys and girls everywhere was to lend what assistance they could to their parents in keeping the family larder supplied.

With an initial appropriation of 25,000 dollars, the American Red Cross joined with the American Relief Administration to bring about an improvement of this situation. The result has been that today, in the sixty-six towns in Jugo-Slovia having a population of over 1,000 persons, school has been resumed—in some places on a seven-day basis—and the children are relatively happy; they are studying and learning.

This was accomplished through supplying the children, in the schools, with hot, substantial meals each day. This consisted at first of milk, cocoa and sugar which when combined in

Andrew M. January,  
City Treasurer.

Office in Mayor's Office, at Court House.

proper portions and cooked, made a very nourishing drink. This ration was supplemented later, when additional supplies became available, by bread and rolls.

These activities have won the grateful commendation of the local and governmental authorities. President Shoal, of the new government in Bosnia and Herzegovina, has conveyed an official expression of his appreciation to the relief work.

John W. Studebaker, of Des Moines, Iowa, national director of the Junior Red Cross, has gone to Europe to complete plans by which the school children of America, through their National Children's Fund, will be able

to provide relief for suffering children in the war-swept countries. The activities of the Junior Red Cross along this line are already under way in Palestine and France in farm schools for half-grown boys who lost their homes during the war.

Immediately upon the return of Secretary Carl Dodds, of the Maysville Chamber of Commerce, to Maysville a campaign of boosting for the Maysville Chautauqua will be started. Already enough season tickets have been pledged to almost assure the success of the meeting this year but those who pledged last year will have to redeem their pledges.

### CONFERENCE FOR SOLVING DRUGFIEND PROBLEM CALLED

Government Officials of This District Meet Wednesday in Lexington For Important Conference.

To find ways and means of administering free treatment to drug addicts in Kentucky not financially able to provide themselves with treatment will be the purpose of a conference Wednesday morning between Elwood Hamilton, collector of internal revenue; Thomas D. Slattery, United States district attorney and G. C. Holt, revenue agent, in the offices of the Lexington district at Lexington.

The conference was proposed by Commissioner of Internal Revenue Daniel C. Roper in a letter made public by Collector Hamilton Monday.

"The federal government has no hospitals," the letter explains. "It is necessary therefore that local communities accept the problem as their own."

Plans by the Department of Internal Revenue in Washington to establish free treatment throughout the country for drug addicts follows recent regulations laid down by the department revoking rules relating to the quantity of narcotic drugs that may be dispensed or prescribed by physicians, dentists and veterinary surgeons.

The order sent from the office of the Commissioner of Internal Revenue, and approved by Commissioner Roper was:

"The ruling contained in T. D. 2200 of May 11, 1915, permitting a practitioner to dispense or prescribe narcotic drugs in a quantity more than is necessary to meet the immediate needs of a patient is hereby revoked and the revocation shall be applicable in all cases, whether a decreasing dosage is indicated or not."

These regulations follow recent decisions by the Supreme Court in the "Doremus" and other cases. Commissioner Roper, in his letter to Collector Hamilton, says that they clearly establish the fact that physicians are not authorized to prescribe for the satisfaction of narcotic drug addiction, and that druggists can not lawfully fill such prescriptions. "This," Commissioner Roper continues, "has had the effect of depriving thousands of addicts of their habitual supply of narcotic drugs."

Many of them are not financially able to enter institutions for treatment for the habit, the commissioner believes.

"If provision is not made for the treatment and care of addicts they will become nuisance to themselves, their families and their neighbors," he adds.

Commissioner Roper says also that the public's safety as well as humane consideration requires that immediate provision be made for the treatment and care of these individuals. He advises Collector Hamilton to call the attention of physicians to the facts and to get the opinions and help of the

municipal authorities.

This work is not to be confined to Lexington and vicinity. It is rather to be urged throughout the entire state, of which Collector Hamilton will become internal revenue collector under the consolidation plan to go into effect August 1.

Commissioner Roper suggests that agents in the employ of the department be sent to each community necessary to accomplish the work to be started by the conference.

Collector Hamilton will make a report of the conferences and offer any recommendations which the conferees see fit to the Internal Revenue Department.

#### UNCLAIMED MAIL

Why Central Can  
Not Answer  
Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator", she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

### DRYDEN-LEE

Miss Lorene Dryden and Mr. J. B. Lee  
Quietly Married at Dr. Barbour's  
Home This Morning.

This morning at 6 o'clock at the home of Rev. John Barbour, Miss Lorene McKay Dryden and Mr. Jackson Bolinger Lee were united in marriage.

The ceremony was simply but impressively performed by Rev. Barbour and the happy couple left immediately to spend a short honeymoon at points of interest in Ohio.

The bride is the interesting daughter of Mr. and Mrs. Verner Dryden, of the East end. She has made herself quite popular with both boys and girls by her charming personality and quaintness. She looked extremely attractive in her going away suit of dark blue in which she was married.

The lucky groom is quite a successful young business man of Maysville, having a one-half interest in the Liberty Garage. He is the son of Mr. and Mrs. Frank Lee of Mayslick.

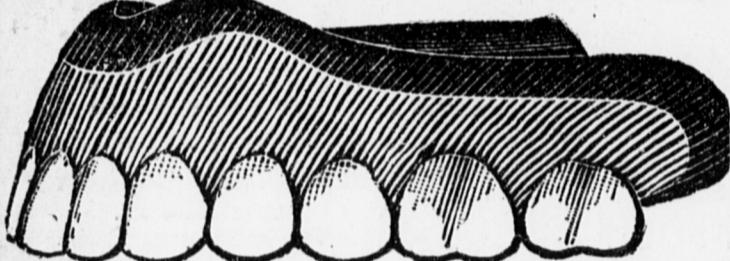

The attendants were Mr. and Mrs. Herman Rees of Mayslick, Miss Lottie Lee and Mr. Lee Dryden.

The happy couple expects to go to housekeeping immediately upon their return to Maysville.

The united wish of their great number of friends is that they may have a long and happy life together.

Mrs. Frank Keith and children of Forest avenue, left today for a lengthy visit with relatives at Middlesborough and Corbin.

## EXPERT IN POTATO WART DISEASE IN MAYSVILLE

Field Assistant of the United States Department of Agriculture Here To Help Combat Potato Wart Disease.

Children's Services at Ruggles Are Quite Interesting—Other Campmeeting News.

Throughout the country the disease of potato wart is threatening to greatly reduce the potato crop if it does not complete this year's crop in various parts of the nation. In order to combat this disease as much as possible the United States Department of Agriculture is sending out field men to assist the communities in fighting the dread disease.

Mr. R. C. Foulwater, Field Assistant of the Federal Department, arrived in Maysville this morning for a conference with County Agent George Kirk and several of our prominent farmers to explain the disease and to give them the benefit of the department's experiments in looking into this disease.

In Mason county, the farmers have reported that the disease is found in many sections and the potato crop here this year is thought to be cut down quite a bit under last year's crop and the potatoes are said to be of a very inferior quality.

Mr. Foulwater, will spend several days in Mason county in an endeavor to furnish the potato growers with information on the disease and the manner of combating it.

### CINCINNATI MARKETS

Lambs—\$17.65.

Veal Calves—\$18.75.

Mr. J. R. Hinton led the early devotions. At the morning worship hour Rev. W. S. Peters, the popular pastor of the Third Street church, Maysville, preached the sermon. Brother Peters was first made known to campmeeting folks one year ago, and through the sermon he preached at that time he was sought for as pastor of Third Street M. E. Church. His sermon was a real feast to the soul. Many were kind enough to say that it was one of the very best services of the present campmeeting. Of one thing we are sure: Members of Third Street church have no reason to be ashamed of their pastor; he is making good, not only as a preacher and pastor, but as secretary of the Campmeeting Board of Directors.

At last our young people's leader, Rev. J. B. Mahaffey has taken charge of this part of the campmeeting service. My! but he is a whole storm! After a rather fullsome introduction by his superintendent J. M. Literal he came forward and dived right into the service with all the vigor of his big responsibility. He had not spoken a dozen words before he had his whole audience with their keenest attention riveted upon every word. After hearing him this time we can freely predict for him a crowded tabernacle every afternoon.

A friend in reminiscent mood has brought to our attention that 35 years ago our piano man F. F. Gerbrich brought with him to campmeeting John I. Salisbury, Will Holmes now of Augusta, Perry Rudy and G. W. Geisel in the same old wagon that he brought the piano to Ruggles the other day, driving one horse. All are still living except the poor old horse. Looks like the old wagon was entitled to a vacation.

Guess it will do no harm to tell who those two hale campers are—those fellows who fed the campmeeting goat with their new straws—the Rev. G. W. Bunton, D.D., of Dayton, Ohio, was one of the boys and "yours truly" was the other. But they are proud "guys" this afternoon. Through the courtesy and kindness of that prince of good fellows, George Frank, both are sporting handsome new, up-to-date straws. And, believe us, no goat nor any other animal be he four-legged or two-legged, is going to get his claws on those hats.

Dr. Bunton received a wire today offering him a Chautauqua date at Madison, Ind., for next Sunday with very liberal compensation. It was an attractive offer but the Doctor is having to find a time at Ruggles, so he immediately wired the Colt-Alber people to substitute some one else in his place. However, he is to fill several Chautauqua dates during his summer vacations, going as far west as Iowa. Of course we all felt easy when he decided to stay with us over Sunday. So we can say to all who contemplate coming Sunday you will hear Dr. Bunton at two services. And you will miss a great treat if you fail to come and hear him.

Mrs. J. M. Literal and Miss Grace Stewart of Covington arrived today to spend a few days in camp. They are guests at the hotel.

Mr. and Mrs. Arthur Glascock and daughters, Misses Nancy and Kittie, Miss Nannie Beasley and Misses Elizabeth Franklin and Elizabeth Taylor of Maysville spent the day with the campers today.

Messrs. John C. Burwell and James H. Glenn were afternoon callers today.

Mr. and Mrs. Oral James and Mr. Frank Carpenter returned to camp today after spending a few days at their farms in Mason county.

## REFUSES CHAUTAUQUA ENGAGEMENT TO TALK AT CAMP MEETING

Word has come to the camp today that in some sections of Lewis county some malicious person or persons are circulating the report that Ruggles Campgrounds are about out of drinking water and that there would be something akin to a water famine before the meetings are over. We cannot see how anyone who knows one iota about Ruggles Campgrounds could start such a report unless it was done with some evil intent. The truth of the matter is that we have plenty of the finest well water as well as several good cisterns to run us for the whole campmeeting and for weeks more if we needed it. And our well water is as fine as can be found anywhere. It isn't any hotter, any drier here than any place else in this section. Furthermore John Brodt, president of our Board of Directors has his faithful water cart patched up and will have the roads sprinkled good to prevent dust for next Sunday. Those who come—and there will be thousands—can be assured that all needed comforts are here in abundance.

Mr. and Mrs. Jack Farrar came out today for a few days camp life. Rev. Isahal Cline of Catlettsburg is the latest addition to our ministerial force.

Sam Carpenter chaperoned an auto party this afternoon to Bowman Springs.

The further we go in this campmeeting the better it gets. The service this evening was the best of all so far. Dr. Bunton preached on "The Tragedy of a Lost Coin." It was such a sermon as to force one to self-examination—and there was much of it done. The spirit of the meeting is improving. More people are hearing the sermons; better attention is being paid to the Gospel messages; and better responses are being made to the appeals that have been seen for several years at Ruggles.

Does the public in general realize what Ruggles Campmeeting is offering this year. Think of having the opportunity daily of hearing a man who could be right now on the Chautauqua circuit at many times what he will receive for preaching here. But Dr. Bunton's heart is with Ruggles Campmeeting and he is pouring out his very soul in Gospel appeals to the people. Don't let this unexcelled opportunity pass without hearing some of those great messages.

Mrs. James Sweet of Springfield, left Tuesday for Ruggles, Lewis county, being called there by the serious illness of her mother.
